LOGICOR

Campus 450 @ DIRFT

The opportunity comprises a rarely available campus of three detached warehouses with offices and ancillary areas located on the UK's premier inter-modal rail connected logistics park. DIRFT sits at the heart of the 'Golden Triangle', the UK's logistics heartland, providing immediate access to the M1 (J18), and easy access to the M6 / A14 intersection, the M45, and the A5.

Campus 450 is a purpose built facility offering occupiers a rare opportunity for scale complimentary to multi-service occupation. The buildings are constructed to a high specification and have been fully refurbished to a Grade-A standard.

Accommodation

Campus 450 @ DIRFT comprises 3 modern warehouse units all within a secure site. The properties are of steel portal frame construction and benefit from 14m eaves height, large individual service yards and dock and level access doors.

Rail freight terminal

DIRFT is the hub for leading occupier brands due to its sought-after location for warehousing and logistics in the centre of the UK. DIRFT has excellent transport links and connectivity to the national motorway network as well as premier rail freight links.

Global manufacturers

DIRFT is the UK's leading rail-served logistics park. Major global manufacturers within DIRFT include:

Green travel plan

DIRFT has an active car sharing community and assisted green travel planning, providing benefits such as:

Save money by sharing travel costs

Cut congestion and pollution

UK's largest parcel hub

Royal Mail has chosen DIRFT as the location for its largest UK parcel hub. Currently under construction.

Public transport

Improved access to bus stops with multiple stops and frequent services towards Rugby, Daventry and Northampton.

Amenities

DIRFT, the logistics and distribution park has many amenities, including:

Lilbourne Meadow is located within close proximity and provides 173 acres of open space with walking trails and cycle routes to Rugby via a link road.

Two budget hotels; ibis and Holiday Inn.

Gasrec natural gas and biogas refueling station.

Demographics

Labour catchment & wage analysis

Competitively priced by UK standards, the East Midlands also offers a large workforce with skills geared towards logistics.

Rail gives the competitive edge with rapid access to the UK's deep sea ports and 90% of the UK container traffic.

85% of the GB population lives within a 4.5 hour drive time of the site.

The percentage rate of growth (+7.7%) in the 30 minute catchment area is more than double the corresponding rate of growth for GB (+3.6%).

DIRFT

Seamlessly linked, DIRFT's rail connection powers efficient nationwide distribution:

UK's leading central road and rail connected logistics park and the highest availability of HGV drivers.

Home to the UK's largest Royal Mail parcel hub, reducing transport costs and optimising next day delivery cut-off times.

Working population

Potential workforce within 30 minutes' drive of Daventry.
